

Private Pilot Permit

Being in sole command of an airplane and being able to fly to airfields around the Pacific Northwest is a great way to enhance your life. Whether it's a couple of hours touring British Columbia's Okanagan or a trip down to California with friends, the great memories will be cherished forever. Your Private Pilot Licence can be the start of a unique and exciting hobby or the initial step to a rewarding career!

Flight instruction is given in a Cessna 152, Cessna 172P or on one of our newer Cessna 172R models. One of our staff or instructors will be happy to give you more details on both the flight training and the study material. Our comprehensive ground school is available — on line — with a flexible schedule for your convenience. If you haven't yet experienced the magic of flight, why not let us take you up for a 'familiarization flight' for as little as \$40.00!

Training costs reflect Transport Canada minimum times and the program follows Canadian Aviation Regulation guidelines. There are no membership fees at Montair.
