

PLEASE READ THIS NOTE BEFORE COMPLETING THE APPLICATION

Due to the volume of applications received, Montair Aviation's Admissions Department is unable to answer detailed enquiries before this completed form is reviewed and an initial assessment made of the application. Montair is only able to respond to applicants that we consider suitable for further assessment.

Prior to issuing a letter of acceptance, international students may be requested to pay a \$500 non-refundable application review fee. All students must meet a minimum of an Operational Level of English proficiency before beginning flight training and must pass a Transport Canada aviation medical. Note that Montair is not able to provide accommodation.

Please answer the following questions in as much detail as possible. This application is not complete without all questions being answered. Consideration and responses will only be given to complete applications. 1. Please describe below what are your goals for flight training. Include information if this is for pleasure or career purposes. 2. Do you plan to study full-time or part time. Explain your reasons for this decision? 3. Do you have a planned or maximum completion date for this training? Please specify. 4. Do you plan to work in Canada while you are also enrolled in flight training? Please explain. 5. Do you already have funds available to complete the entire training course? If not, how do you plan to pay for your training? 6. What is your plan to find accommodation when you arrive in Vancouver? How will you travel between your accommodation and the flight school?
